Facilitation Team: Third Party Public (formerly Swerhun Inc.)

Elected officials: Elected officials are ex-officio members of the CRG and are welcome to attend CRG meetings primarily as observers, participating in discussions as/if appropriate to enrich our collective understanding of the issues and opportunities at hand as the id8 Downsview process evolves.

Rights-Holders: The Rights-Holders will be invited to every CRG meeting. The CRG meetings are not a substitute for the meaningful, direct dialogue with the First Nations. That dialogue will continue to happen as the id8 Downsview process evolves. The invitation and opportunity to attend and participate in the CRG meetings is offered as a means of respect and transparency with the Rights-Holders.

Role of City of Toronto staff: City Planning staff (and other City staff, as required) will be invited to every CRG meeting to support information sharing and coordination between the id8 Downsview engagement process and the City's work to update the Downsview Area Secondary Plan (560 hectares) and review OPA application jointly made by Northcrest and Canada Lands for 210 hectares in Downsview.
